DIVISION OF NATURAL GAS - June 11, 2008

The following is a list of Gas Plumbers who have on file with ATHENS UTILITIES BOARD, Division of Gas, a Certificate of Insurance as required by the Southern Standards Gas Code, and may be called for the installation or maintenance of any gas equipment or appliances. Installation and replacement of gas piping or gas appliances shall be performed only by a qualified agency. By the term "qualified agency" is meant any individual, firm, corporation, or company which either in person or through a representative is engaged in and is responsible for the installation, repair, or replacement of gas piping or the connection, installation, and repair or servicing of gas appliances, and who is familiar with all precautions required, is experienced in such work, and has complied with all requirements of the authority having jurisdiction.
